Wake up..... Exams are near...  
 How time flies running from pillar to post writing case sheets, discharge summaries and what not....  
 Been inserting IV cannula, collecting blood, stool and urine samples in your dreams too....  
 Wondering why your laptop crashed while you were finishing your ppt....  
 How to get the MRI, EEG, ECG done with the kid running around.....  
 Don't know where the CSF, Ascitic tap, pleural tap, etc reports went missing.....  
 Damn the reports how did the platelets and haemoglobin vanish into thin air.....  
 Thesis statistics and master charts not relating..... All done now worried about the exam....  
 Relax..... Don't worry everyone's been doing this for quite a long time before the exams come knocking round the corner. It's never too late...  
 We plan to nurture and empower you with knowledge so as to turn you into a **MITEy PG** so as to face your exams without fear...  
 Time to shut off ur mobiles and log off from whatsapp n facebook for two days because we are here to help you succeed.... We help you to face your exams by facing your examiners too....  
 Come face to face with your examiners and learn from them how to face your exams....  
 AAAAAAll ezzzzz welllll
