DEPT. OF PEDIATRICS, AJIMS

Dear Doctor,

On behalf of pediatricians of Mangalore, we are pleased to invite you to ADOLESCON 2015, the national conference of Adolescent Health Academy IAP.

The conference will be held on 15th and 16th August 2015 with pre-conference workshop scheduled for 14th August. AJ Institute of Medical Sciences is the venue of the conference.

The pediatrician's responsibility does not end with children. In fact, all the while our focus has been to ensure that children grow up into healthy adulthood and adolescence is the transitional phase which needs our best attention. The issues arising in adolescence are indeed unique and any intervention on our part should be from an enlightened perspective.

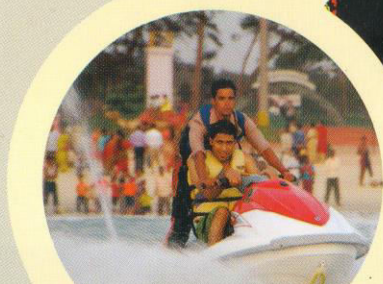

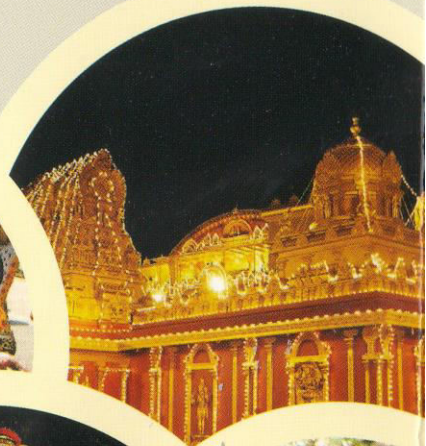

ADOLESCON 2015 aims to sensitize you to the healthcare concerns of adolescents. With a fine array of speakers of national and international stature, this conference will be an eye opener for you, enabling you to widen your expertise to cover all age groups.

Also awaiting you is the warm Mangalorean hospitality, along with mouth watering sea food and party time.

We look forward to your presence in this prestigious event.
